Preliminary figures for the 2024 budget were discussed. The Clerk/Treasurer advised the Council they had the option of paying some of the Police Salary from the LIT Public Safety. The CT suggested \$47,000 to be paid from LIT Public Safety. This would free up \$47,000 in the General Fund. We have more freedom with the General Fund than we do for LIT Public Safety. LIT Public Safety can only be used for Police and Fire Departments, and safety matters. Councilman Burtner advised he was not in favor of paying salaries from LIT Public Safety. He does not believe this money was intended for salaries.

Clerk/Treasurer Gray, advised, yes, LIT Public Safety was designed to relieve some of the burden of safety expenses from the General Fund. Medical insurance and retirement can also be paid from LIT Public Safety. The Clerk/Treasurer advised the Council she would make a copy of the Indiana Code that was set by the legislature.
